

Dual Enrollment Agreement - UCCS MathOnline Program

You have indicated that you are interested in enrolling in a college course while a high school student. There are several options for Colorado high school students who meet high school standards to begin college early. The purpose of these options is to provide academic challenges and access to academic courses that may not be available at a local high school, to meet high school graduation requirements.

Persons under 21 years of age, enrolled in grades 9-12 in a school district, **demonstrating academic and personal readiness** for college level courses, are eligible for Dual Enrollment programs. Dual Enrollment students earn both high school and college credit for the same course. Full-time high school students retained beyond grade 12 may *not* enroll in more than 9 total Dual Enrollment college credits during the repeat year. To enroll at an eligible postsecondary institution, a student must complete the minimum course prerequisites and all required assessments. See page 2 of this agreement for detailed information on tuition/fees.

SECTION A: Completed by Student (Print)

Name of Student _____ Semester/Year _____

Student ID (S#) _____ SASID _____

Address _____ City _____ Zip _____

Phone _____ Email _____

Date of Birth _____ Age _____ Grade in School _____

Currently Attending: _____ High School HS Graduation Year _____

Name of Parent / Guardian _____

Subject	Course Number	Course Title	Credit Hours	Counselor Initials

Attention High School Counselor: Your initials above, verify that the course(s) align with the **Student's ICAP**.

Section B: Student Eligibility: Completed by High School Counselor.

Check all that apply :

- This Student is under 21 years of age.
- This Student has the **maturity and personal readiness** to enroll in a college level course and to complete the assignments for the course.
- The School District agrees to pay the tuition for _____ courses / credits this term, based on tuition rates set by SBCCOE.
- This Student is eligible to enroll in **remediation courses** at the college (grade 12 only).
- This student is enrolled as a **fifth year senior** and is eligible for no more than 9 total college credits per academic year as a full-time student, with no more than 6 credits per semester (3 credits for part-time students).
- This Student is a **part-time** student and is eligible for up to 11 college credits. (includes Homeschool students)

HS Counselor/Designee Signature _____ Date _____

HS Principal/Designee Signature _____ Date _____

District/Designee Signature _____ Date _____

Section C: To be Signed by Student and Student's Parent/Guardian

Student and Parent/Guardian: Your signature below indicates that you wish the above-named Student to participate in the Dual Enrollment (DE) Program and that you agree to the following:

1. The Student **received advice and counsel** about participating in the DE Program from his/her high school.
2. The college course(s) listed above align with the Student's **Individual Career & Academic Plan (ICAP)**, and only courses that apply toward a college degree or certificate, or that qualify as basic skills (grade 12 only), are covered under the DE Program.
3. The Student may not enroll in a course under the DE Program unless **approved by the School District**.
4. The Student must meet the same **prerequisites and course expectations** as other college students, as noted in the current academic year Catalog and course syllabus.
5. If the Student seeks to **Add, Drop, or Withdraw** from a college course, he/she must meet with the High School Counselor or Dual Enrollment Designee to confirm desired changes.
6. The **College Course Final Grade**, as recorded on the College Transcript, will appear on the Student's official high school transcript; if the Student withdraws from a course after the designated semester Drop (Census) Date, a "W" or "F" will be recorded on high school and college transcripts.
7. College Course **Credits may transfer** in congruence with Colorado **GT Pathways** or articulation agreements if the Student earns a College Course Final Grade of "C" or better.
8. If the Student receives a **College Course Final Grade of "D," "F," or withdraws** from a course after the designated semester Drop (Census) Date, the Student and Parent/Guardian may be required to **repay the School District** for any Tuition paid on his/her behalf (if applicable).
9. In compliance with the **Family Educational Rights & Privacy Act (FERPA)** of 1974, the Student gives permission to the postsecondary institution to report attendance and disciplinary issues and to release final grades, in-progress grades, transcripts, class schedules, and billing information, as available, to the School District for the courses covered under the Dual Enrollment Program.
10. The Student and Parent/Guardian **agree to give permission for the Institution of Higher Education to provide a full and complete copy of all educational records** contained on the Student's official postsecondary transcript, including all courses taken through Dual Enrollment.
11. Parents/Guardians of Students in need of **accommodations** must contact the College's Accessibility Services Office prior to the start of the dual enrollment semester.

TUITION/FEE INFORMATION: For the academic year 2020-2021, high school students in the MathOnline Program are charged a discounted tuition rate of \$291.75/credit hour. Every enrollment also is charged the \$100 UCCS Canvas online fee, plus \$2/credit hour SIS System fee. No other regular campus fees are charged. Total tuition/fee amount may be reduced by any amount the district agrees to pay on the student's behalf.

- 3-CREDIT-HOUR COURSES (including MATH 2150-Discrete Mathematics, MATH 3110-Theory of Numbers, MATH 3130-Intro to Linear Algebra, MATH 3400-Intro to Differential Equations, MATH 3410-Intro to Analysis, and MATH 3810-Intro to Probability and Stats): \$875.25 tuition + \$100 Canvas fee + \$6 SIS System fee = **\$981.25**
- 4-CREDIT-HOUR COURSES (including MATH 1350-Calculus I, MATH 1360-Calculus II and MATH 2350-Calculus III): \$1,167 tuition + \$100 Canvas fee + \$8 SIS System fee = **\$1,275.00**
